

Accessibility Guide

We are a church for everyone

West Beach Community Church aims to be as accessible as possible, and we will do our best to support you if you let us know what you require.

What are my transport/parking options for getting to and from the church?

West Beach Community Church is located on [614 Burbridge Road, West Beach.](#)

There are three clearly marked accessible car parks in the church grounds with direct access to the church entrance. There is good on-site parking in the grounds and ample free on-street parking on the streets surrounding the church.

There are sealed pathways surrounding the external sides of the church.

Taxi drop off can be organised at the front entrance and our staff can call for a taxi on behalf of attendees. If you are coming via public transport from the city, take the 163 bus to [Stop 12B on Burbridge Road.](#) This stop is located opposite the church on the south side of Burbridge road. There is a flat pathway crossing the road to the church.

Are there ramps to enter the church building?

Yes, there is wheelchair access to the entrance with automatic doors. A low-level reception desk is on the right side of the entrance.

Once inside, the café, kids' activity rooms and seminar rooms are all located on the ground floor with an indoor accessible toilet too.

What about sound levels?

Our Sunday service room and café space have a regular traffic of people and sound levels may be uncomfortable for some people. We understand that and have a dedicated quiet room where you can hear the service (music, message and announcements) at a volume of your preference. This room can also be used for breastfeeding.

There is also a prayer room and other quieter spaces in our café area that you can access if it is your preference.

What about assistance animals?

Assistance animals are welcome and there is an outdoor fenced area where they go to as needed.
